

Rescheduled: ORD Research on effects of oil and gas discharges on surface water: Seminar and Discussion with Jim Lazorchak

Wed 02/08/2012 10:00 AM - 11:30

AM

Attendance is **required** for Sandra Spence

Chair: **Kristen Keteles/R8/USEPA/US**

Location: Bitterroot

You have declined this meeting.

This reschedule notice has been applied to the meeting.

- Dr. Lazorchak has a call with ORD on all topics, Hydrofracking, at 9:00 am, so we are bumping up the time of his seminar to 10:00 am... and may be there will be additional insights to be gained following his call! I apologize for any inconvenience the schedule change may cause!

Required: Alfred Basile/R8/USEPA/US@EPA, Ayn Schmit/R8/USEPA/US@EPA, Barbara Conklin/R8/USEPA/US@EPA, Bob Brobst/R8/USEPA/US@EPA, Bonita Lavelle/R8/USEPA/US@EPA, Bruce Kent/R8/USEPA/US@EPA, Bruce

Optional: Kate Fay/R8/USEPA/US@EPA

Description

Dr. Jim Lazorchak will give a short presentation on methods to examine impacts of resource extraction discharges on aquatic life and will be available for discussion on how his work could be applied to produced water discharges in R8. Specifically, he will discuss a sensitive species test method approach that he is currently exploring developing relevant to R8 surface water. Please invite other who I may have inadvertently missed
